Notes: First reservation confirmed Reservation Payment Completed Only trip reservati

- Preregistration is only to organization purposes and no mean obligation to participate or reservation. You could confirm after your official registration;
- The ACIM V2013 is an event free of charge. All trip costs are estimated on a basis of friends quantity and coordination for main activities (this mean reducing costs for reservation and meeting activities based on large group of persons);
- All information and details are available at: [apriliacaponordim@email.it](mailto:apriliacaponordim@email.it) (with answers on: English - Español - Italiano)
- Due to coordinating reason on this trip we are programming several meeting point on the road to glad our friends reaching us on the road as shorter as could it be possible. In this way we could together optimize the quantity of km to make for every person;
- To participate without probabilities of troubles for your and your trip partner it's important to pay attention at a regular servicing of your Caponord specially before starting to this meeting. Think that there is a middle distance of 1.000 km on the road through starting - visiting our Swiss selected waypoints and returning way. So take on mind to be careful with maintenance in order not to be risky for yourself and group.

Feel free to enquiry us about all details you need or proposals you think could be useful to succeed being part of our ACIMV event.  
Kind regards, The Staff
